The Honorable Arthur Goldberg
U.S. Ambassador at Large
2801 New Mexico Avenue, N.W.
Washington, D.C. 20007

Dear Ambassador Goldberg:

Following our last conversation about Jewish emigration from the Soviet Union, it occurred to me that you might be interested in this article on Auschwitz which we developed here in the CIA some short time ago. It is an interesting case in which we unearthed World War II photography to construct a better picture of Auschwitz than has ever existed before. I hope you will find it interesting.

I also hope your trip to Vienna was successful.
With warmest regards,

Yours sincerely,
